# FAQs

- **Do you do catering?**

We have some great recommendations for caterers. Just let us know your requirements and we'll put you in touch with our favourite caterers. If you would rather us look after everything, then get in touch about our Full Venue Package 3 option or our Wine, Cheese & Astronomy option.

- **Do you offer bar service?**

We do! We have certified Bar Managers on our team. Check out the Christmas in the Cosmos snapshot table on the next page for which hire options include bar service.

- **Where can I park?**

There is parking outside Stardome as well as along the road in One Tree Hill Domain on the way up to Stardome (90 minutes). During the day, the playground at the bottom of the park can be used, until gates are locked at 7pm. Another easy street parking option is Haydn Ave, a short walk from Stardome.

- **Do you have table settings/decorations/outdoor equipment?**

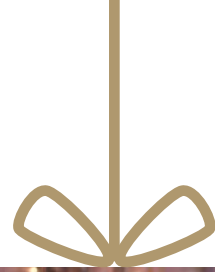

Yes! Check out the Christmas in the Cosmos snapshot table on the next page.

- **Can we use the Stardome outside courtyard?**

During the day, you can use the courtyard and grass outside the back of Stardome. At night, if the weather is clear, we will have courtyard telescopes out for you to catch a glimpse of the cosmos.

- **What can I play on the planetarium 360-degree screen?**

With technical support and time, we can play almost anything on the planetarium screen. We work with our presenters to get your message up on the big screen! Dependant on the additional time or technical support, there may be an extra per hour charge.

---

Having a family fun day?  
We can organise additional outdoor bean bag hire!  
Just ask.

---

Our bar menu includes a selection of beer, cider and Villa Maria Cellar Selection wine.
